

Crescent Specialty Wholesale

New Upstream Energy Domestic Wholesale Facility

The Crescent Advantage

Crescent Specialty is proud to announce the launch of our new domestic market facility, designed to give retail brokers broader access, faster turnaround, and flexible solutions tailored to today's complex risks.

Through this facility, we offer:

- First of it's kind domestic facility backed by trusted A rated domestic carriers (AM Best)
- Streamlined underwriting for quicker responses and simplified submissions

Our Appetite

- US Domiciled E&P Accounts
- Minimum Premium: USD 200,000 (100%)
- Limits up to USD 150mm (100%)
- Onshore & Offshore Property
- Operators' Extra Expense
- Excess Liabilities (Package only)
- Additional sections to OEE & PD:
Oil in Storage, Minor works / CAR, Loss of Production Income, Business Interruption, LOPI, Oil Lease Property, Cargo, Offshore Drilling Barges
- US Gulf of Mexico Named Windstorm
